The Math Test (*find 7 missing commas*)

Tuesday after last recess we are having our final math test. Our teacher Miss Belmont said “I really want everyone to be prepared for this test.” The students agreed that they would study. The teacher told them they would need to study multiplication division and fractions. The students knew that Miss Belmont always let them know which topics would be on the test. If the students studied those concepts they would do well on the test. Oddly enough there are always some students who never study before a test.

The Final Soccer Game (*find 17 missing commas*)

Tonight after school we have our final soccer game of the season. Our coach Mr. Jones stated “I want all of you to play your best and play fair.” The game started. We knew if we didn’t play aggressively we would lose. At half time our opponents were ahead by two. Shortly after, we managed to tie the game. We had very little time left and knew we had to play well. The audience was cheering loudly they could feel the tension in the air. Dean our captain called a time out. We gathered around and our coach said “You can do it play smart!” We didn’t want to let our coach or fans down. Just then Dean kicked the ball the crowd went wild. The ball went right through the net. Then the buzzer went to signal the end of the game! Much to our surprise we won in the last two minutes of the game!
